GOOD NEWS BURBANK RESIDENTS! PROTECT YOUR PLUMBING AND EARN \$150!

HOW DOES SLURP WORK?

A sewer lateral is the part of your sewer system that runs from your house to the public sewer main, which is under the street, alley or easement behind your home. Most residents don't give it much thought until there are backup problems.

Due to the success of the program, we have INCREASED our rebate to \$150!

This program is designed to encourage residents to maintain their sewer lateral. The City will give the property owner a \$150 credit on sewer service charges for cleaning and video inspecting his/her sewer lateral. The proper maintenance of sewer laterals will help prevent sewer overflows – a benefit to everyone!

HOW DO I GET \$150?

Becoming eligible for a rebate is simple! Just follow these steps:

1. Hire a plumber to clean and video inspect your sewer lateral.

We recommend getting quotes from a few plumbers before making a final decision. You can review plumber evaluations completed by other Burbank residents on our website: BurbankUSA.com/SLURP. It is important that the plumber that you choose, cleans and video inspects your sewer lateral all the way to the connection with the public sewer main.

2. Bring in the plumber's receipt, the videotape (or DVD), and a completed rebate form to Public Works.

You can drop it off at our offices (150 N. Third St., Burbank, 91502) or mail it to us. You can download a copy of the rebate form on our website: BurbankUSA.com/SLURP.

3. Public Works will give you a \$150 credit on sewer service charges!

*For more information contact Public Works at (818) 238-3915 or
Visit us online at BurbankUSA.com/SLURP.*
